Amicus (Twenty-Five)
First Responders and Suicides

After you read the following article you will think First Responders have the highest Suicide rate, but...

This is Mankind committing Suicide

By censoring me the Federal Judiciary is tampering with the 2018 election

The conclusions they draw are wrong, dead wrong. They refuse to acknowledge the truth. This is pure Federal Desensitizing Propaganda by our Government. We have become use to suicide. It is a life choice that should not exist. Millions of Americans will read the New York Times articles today (June 9th, 2018) and believe they are truthful. The fact is the articles by the New York are lies and crap and written for money. The New York Times is a bunch of Aids Infected Whores!!! They are infecting us for money and making us immune to a cure. Without the truth there is no cure but only the Genocide of Mankind.
